## May Day Celebrations

We had a fabulous May Day on Saturday and the sun managed to shine and the rain held off! FOBS planned and ran a successful spring fayre which raised in the region of £500. The proceeds of this will go towards the sensory garden project. Thank you to everyone who contributed to this village tradition.

## Mini Olympics at Beaumanor Hall

On Tuesday the Bees and Meerkats had a wonderful visit to Beaumanor where they took part in a mini Olympic Games day involving team building through challenging games.

*"I went across a wobbly, wobbly bridge with some water in a goblet, it was fun".* Isabella

*"I loved it, it was fun".* Erin

*"I went on the obstacle course. It was amazing".* Cara

*"We had fun at Beaumanor. We had to take a packed lunch".* Archie

*"We played lots of games and also learnt that it is not all about the winning, it's about saying to the other team, well done".* Jimmy

*"My favourite game was the water one. You had to go on the obstacles, but we had to not spill the water!"* Sally

## Launch of new RE syllabus

Mrs Scott and Mrs de Looze went to the launch of the new RE syllabus from the diocese today. This informs us about our Religious Education planning for our lessons next year as we strengthen our links with our local church and the diocese.

## School lunch invitation to parents and carers

On Thursday 12<sup>th</sup> May Meerkat and Bees parents and carers are invited to have lunch in school with the children to experience a school meal. Remember to return your form to the school office as soon as possible. Thank you!

## Parent Forum

The first parent forum took place yesterday, Thursday 5<sup>th</sup> May. Seven parents came along and the topics for discussion included healthy eating and homework. Minutes from the meeting will be available on the school website under the community tab.

The next Parent Forum meeting is  
on  
Thursday 23rd June  
2pm – 3pm  
in the school staff room  
All welcome

Agenda items to be emailed to Mrs Jones

## Kingswood Residential Visit

The Sea Otters are very excited about their residential visit to Kingswood Activity Centre on Monday. Although they are not leaving until 11.30am the children must come to school at the normal time dressed in comfy clothes to travel in. **They will need their named water bottle for the journey and a packed lunch (in disposable packaging) which will be eaten on arrival at Kingswood. Please make sure they have sun cream and a sunhat.** We wish them all a really happy time and hope that the weather is kind to them.

## Library Services visit the Sea Otters

Nicole from Library Services visited the Sea Otters and inspired the children with her enthusiasm for books. She brought them a fantastic box of new books to read. The favourite book was 'Dear Scarlett' – a detective story by Fleur Hitchcock and everyone is queueing to read it!
