Belton CE Primary School Child Protection Policy
September 2023-24

INTRODUCTION

Belton CE Primary School

Policy statement and principles

Belton CE Primary School is committed to ensuring and promoting the safeguarding and well-being of all of the children in our care.

There is a shared understanding that all are responsible for this and the school has in place rigorous systems, processes, job descriptions and policies ensuring all are aware of their specific roles and responsibilities.

These policies and procedures reflect and detail our school's safeguarding arrangements and ensure that any actions are taken in a timely manner to safeguard and promote children's welfare. Designated leads are experienced and qualified and work closely with all appropriate agencies.

This policy is applied in line with and linked to statutory policies (see later in policy for further linked policies):

- Staff Behaviour Policy
- Recruitment and selection policy
- Allegations Against Staff
- Whistleblowing
- Attendance
- Complaints
- Pupil Behaviour
- Children Missing Education
- Online Safety
- Child on Child Abuse policy
- SEND Policy
- KCSIE 2023
- Prevent policy and risk assessment

This Child Protection Policy will be reviewed by the Senior Designated Safeguarding Lead Joanna Scott on a regular basis to ensure it remains current and incorporates all revisions made to local or national safeguarding guidance. This policy will as a minimum be fully reviewed as a minimum once a year during the autumn term provided to the Governing Body for approval and sign off at the first autumn term meeting.

Date of last review: September 2023

Date of next review: September 2024

Our policy applies to all staff, governors and volunteers working in Belton CE Primary School and takes into account statutory guidance provided by the Department for Education and local guidance issued by the Leicestershire Safeguarding Children Partnership.

We will ensure that all parents/carers are made aware of our responsibilities regarding child protection procedures and how we will safeguard and promote the welfare of their children through the publication of this Belton CE Primary School's child protection policy.

These duties and responsibilities, as set out within the Education Act 2002 sec175 and 157, DfE Statutory Guidance Keeping Children Safe in Education 2023 and HM Working Together to Safeguard Children 2018 (updated December 2020) are incorporated into this policy.

Child Protection and Safeguarding Statement

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We will endeavour to provide a safe and welcoming environment where children are respected and valued. We will be alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection, and justice.
The procedures contained in this policy apply to all staff, supply staff, volunteers, and governors of Belton CE Primary School and are consistent with those of Leicester and the Leicestershire and Rutland Safeguarding Children Partnerships.

Maintaining a child centred and coordinated approach to safeguarding:

Everyone who works at Belton CE Primary School understands they are an important part of the wider safeguarding system for children and accepts safeguarding and promoting the welfare of children is everyone's responsibility and everyone who comes into contact with children and their families has a role to play. To fulfil this responsibility effectively, all our staff, including supply staff and volunteers will ensure their approach is child-centred and will be supported to consider, at all times, what is in the best interests of the child.

We recognise no single practitioner can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information, and taking prompt action.

Safeguarding children is defined as: The actions we take to promote the welfare of children and protect them from harm are everyone's responsibility. Everyone who comes into contact with children and families has a role to play.

Safeguarding and promoting the welfare of children is defined as:

- Protecting children from maltreatment.
- Preventing the impairment of children's mental and physical health or development.
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care.
- Taking action to enable all children to have the best outcomes.

   NB Definition: Children includes everyone under the age of 18.

Whole School approach to safeguarding:

- We understand the importance every member of our staff has through their contact with children in and outside of our school environment and the particular importance of the roles and relationships they have which places them in a position to identify concerns early, provide help for children and promote children's welfare and prevent concerns from escalating.

- As a school we have a responsibility to provide a safe environment in which children can learn.
- We will make every effort to identify children who may benefit from early help and put in place support as soon as a problem emerges at any point in a child's life.
- **Any staff member** who has **any** concerns about a child's welfare should follow the processes set out in this child protection policy and raise concerns with the designated safeguarding lead or deputies without delay.
- All our staff should expect to support social workers and other agencies following any referral, especially if they were involved in being alert to or receiving a disclosure of risk, harm or abuse or harassment from a child.
- Our senior designated safeguarding lead will provide support to staff to carry out their safeguarding duties and will liaise closely with other services such as children's social care, police, early help, and health were required, as the designated safeguarding leads (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns.

This includes Supply staff who may be employed on site for a short period time. The expectations are:

- *It is the expectation that all supply teachers and support staff will read this policy before entering the classroom.*
- *It is the responsibility of all supply staff to follow the safe-guarding policy - safeguarding children is everyone's responsibility.*
- *All supply staff are expected to report to a member of the SLT team at the end of the day on any relevant issues.*

Safeguarding is not just about protecting children from deliberate harm. It also relates to the broader aspects of care and education including:

- Pupils' health and safety and emotional well-being, and their mental and physical health or development.
- Meeting the needs of children with special educational needs and/or disabilities.
- Meeting the legal duties on school under the Equality act: will not unlawfully discriminate against pupils or students based protected characteristics; we will carefully consider how we support pupils/students regarding particular protected characteristics; we will take positive action to deal with particular disadvantages affecting pupils or students
- Where a child receives elective home education and has an EHCP, the LA should review the plan working with parents and carers.
- The use of reasonable force.
- Meeting the needs of children with medical conditions.
- Providing first aid.
- Educational visits and off- site education.
- Intimate care and emotional wellbeing.
- On-line safety and associated issues including filtering and monitoring in accordance with DfE monitoring standards.
- Appropriate arrangements to ensure school security, considering the local context.

- Keeping children safe from risks, harm, exploitation and sexual violence and sexual harassment between children: KCSiE 2023 Annex A.

Safeguarding can involve a range of potential issues such as:

- Neglect, physical abuse, sexual abuse, and emotional abuse.
- Contextualised also known as extra-familial abuse.
- Bullying, including online bullying (by text message, on social networking sites, and prejudice-based bullying and being aware of the ease of access to mobile phone networks.
- The approach to online safety, including appropriate filtering and monitoring on school devices and school networks for home use.
- Going frequently missing and who are 'absent from education' going 'missing from care or home' and the risks this poses on repeat occasions and for prolonged periods.
- Domestic Abuse including teenage relationship abuse.
- Racist, disability- based, homophobic, bi-phobic, or transphobic abuse.
- Gender based violence/violence against women and girls.
- Risk of extremist behaviour and/or radicalisation and susceptible to being at risk of being drawn into terrorism.
- Child sexual exploitation, human trafficking, modern slavery, sexual or criminal exploitation.
- A young carer.
- Has a mental health need and has an effect on school attendance and progress.
- Has special educational needs (whether or not they have a statutory Education Health and Care Plan (EHCP).
- Privately fostered.
- Has returned home to their family from care.
- Has a family member in prison or is affected by parental offending.
- Child-on-Child Abuse (broadened by KCSiE 2023 to include children abusing other children, other varying form of bullying including online and sexually harmful behaviour, sexual violence, and sexual harassment (further defined in KCSiE 2023 Part Five).
- Harm outside the home extra familial harm.
- The impact of new technologies, including 'sexting' and accessing pornography.
- Issues which may be specific to a local area or population, are showing signs of being drawn into anti-social or criminal behaviour, including gang activity or involvement and associations with organised crime groups or county lines.
- In possession of a knife and or involved in knife crime, youth violence, criminal child exploitation (CCE).
- Is in family circumstances which present challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse/harm.
- Is at risk of or from serious violence and violent crime.
- Persistent absence from education, including persistent absence for part of the school day.
- At risk of suspension or permanent exclusion
- Particular issues affecting children including domestic abuse and violence, female genital mutilation, and honour-based abuse.
- Being subject to any conduct where the purpose is to cause a child to marry before their eighteenth birthday, even if violence, threats, or another form of coercion are not used. As with the existing forced marriage law, this applies to non-binding, unofficial 'marriages' as well as legal marriages (Law change on Forced Marriage, February 2023).

- 'Upskirting'- The Voyeurism (Offences) Act, which is commonly known as Up-skirting Act, came into force on 12 April 2019. Upskirting is a criminal offence and reportable by all teachers (KCSiE Annex A).

All our staff and volunteers are aware of the indicators of abuse and neglect and know what to look for is vital for the early identification so that support can be put in place. Our staff and volunteers are also aware of the specific safeguarding issues that indicate or inform of concerns or incidents linked to child criminal exploitation and child sexual exploitation and know to report concerns directly to the designated safeguarding or a member of the senior leadership team should the designated safeguarding lead not be available for children who may be in need of help or protection.

Our staff recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. Children may also feel embarrassed, humiliated, or could be threatened not to tell, so not feel able to share what is happening to them. Alternatively, we recognise children may not want to make a disclosure or talk about what is happening due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child and agree a way forward to support the child and determine how best to build trusted relationships with children and young people which facilitate good opportunities for communication.

All staff should **always** speak to the designated safeguarding lead, or deputies at the earliest opportunity.

As a school we are aware that abuse, neglect, and safeguarding issues are rarely standalone events and cannot be covered by one definition or one label alone. In most cases, multiple issues will overlap with one another, therefore all staff should always be vigilant and always raise any concerns with the designated safeguarding lead (or deputy).

All staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside of our school environment.

All our staff have received information and training regarding the risks that can take place outside the child's family. This is known as extra-familial harm and these can take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, sexual abuse, serious youth violence and county lines.

Our staff are aware that technology offers many opportunities but is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. Children can also abuse their peers online, this can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography, to those who do not want to receive such content.

All our staff have 'an understanding of the expectations, applicable to their roles and responsibilities in relation to filtering and monitoring' of ICT systems and regular monitoring of school's equipment and networks.

Our school approach to online safety, including appropriate filtering and monitoring on school devices and school networks is reflected in this Child Protection Policy including awareness of the ease of access to mobile phone networks. (See KCSiE 2023 Paragraph 138).

Our Senior DSL and the DSL team has the lead responsibility in this area, which is overseen and regularly reviewed by the 'Governing body, along with considering the number of and age range of their children, those who are potentially at greater risk of harm, and how often they access the IT system along with the proportionality of costs versus safeguarding risks.'

Our Governing body will ensure they maintain oversight of the Online Safety Policy contained within our main child protection policy, and the arrangements put in place to ensure appropriate filtering and monitoring on school devices and school network. The appropriateness of any filtering and monitoring systems will in part be informed by the risk assessment required by the Prevent Duty as required by KCSiE 2023 paragraph 138 to147.
This will include:
- identify and assign roles and responsibilities to manage filtering and monitoring systems.
- review filtering and monitoring provision at least annually.
- block harmful and inappropriate content without unreasonably impacting teaching and learning.
- have effective monitoring strategies in place that meet the school/ colleges safeguarding needs.
- review and discuss the standards with the leadership team, IT staff and service providers to ensure the school/college meets the standard published by the Department for Education filtering and monitoring standards.

Belton CE Primary will manage the new filtering and monitoring requirements put in place by KCSiE 2023 (paragraphs 124,138,141 and 142) as outlined in the 2023 Online Policy (See Appendix an extract is written below

There is a managed system of age-related filtering which is effectively monitored for misuse. We have our broadband provided by Virtue technologies that installed for the school a Sophos XG firewall that provides connectivity, security and filtering. They have applied default strict filtering templates that are appropriate for primary school children and that we can customise.
Staff devices have their own policy applied which is based on default filtering with some exceptions such as YouTube etc.
Further information can be found here: Virtue Technologies :: Internet Services

We have scheduled reporting in place so a detailed report can be emailed out detailing any misuse.

Our Governing body will ensure a review is maintained to ensure the standards and discuss with IT staff and service providers these standards and whether more needs to be done to support our school in meeting and maintaining this standard and communicating these to staff, our pupils, parents, carers and visitors to the school who provide teaching to children as part of the learning and educational opportunities we provide.

Our Senior DSL and the DSL team will always act in the 'best interest of the child' and remain mindful of the importance with parents and carers about safeguarding concerns held for children and in particular children's access to online sites when away from school.
We will support understanding of harmful online challenges and hoaxes and share information with parents and carers and where they can get help and support.

All forms of abuse or harassment will be reported in accordance with national safeguarding guidance, and we will take a 'zero tolerance' approach to harassment and abuse as informed in KCSiE.

As a school should an incident or disclosure be made by a child, our staff will always reassure the child (victim) that they are being taken seriously and that they will be supported and kept safe, but we recognise that not every victim will view themselves as such. We will also be mindful of the use of other terminology such as '**alleged perpetrator(s)**' or '**perpetrator(s)**' as in some cases the abusive behaviour will have been harmful to the perpetrator as well.

We will do our best to ensure children understand the law on child-on-child abuse is there to protect them rather than criminalise them. In doing this we will discuss with relevant statutory safeguarding agencies to ensure all concerns or incidents are addressed fully, and where required different types of assessment and services are put in place where required and in accordance with the Pathway to Provision v 9.1.

Identifying Concerns

All members of staff, volunteers and governors will be aware of indicators of abuse and neglect and will know how to identify pupils who may be being harmed and then how to respond to a pupil who discloses abuse, or where others raise concerns about them. Our staff will be familiar with procedures to be followed and will receive safeguarding and child protection (including online safety) updates.

Staff understand that abuse, neglect, and safeguarding issues are rarely standalone events that can be covered by one definition, and that in most cases multiple issues will overlap with each other. Staff who regularly come into contact with children are aware of the DfE guidance **What to do if you're worried a child is being abused**

The four main categories of child abuse are as follows:

1. **Physical Abuse**
2. **Emotional Abuse**
3. **Sexual Abuse**
4. **Neglect**

Indicators of abuse and neglect

Abuse: a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults or by another child or children.

Physical abuse: a form of abuse which may involve hitting, shaking, throwing, poisoning, burning, or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse: the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally

inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as over protection and limitation of exploration and learning or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Sexual abuse: involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbations, kissing, rubbing, and touching outside of clothing. They may also include non-contact activities, such as involving children to look at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue (also known as child-on-child abuse) in education and **all** staff should be aware of it and of their school or colleges policy and procedures for dealing with it.

Neglect: the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, because of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to; provide adequate food, clothing, and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (the use of inadequate caregivers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Domestic Abuse:

In April 2021, the Domestic Abuse Act 2021 received Royal Assent and introduced a statutory definition for the first time.

Definition

The Domestic Abuse Act 2021 (Part 1) defines domestic abuse as any of the following behaviours, either as a pattern of behaviour, or as a single incident, between two people over the age of 16, who are 'personally connected' to each other:

(a) physical or sexual abuse;

(b) violent or threatening behaviour;

(c) controlling or coercive behaviour;

(d) economic abuse (adverse effect of the victim to acquire, use or maintain money or other property; or obtain goods or services); and
(e) psychological, emotional or other abuse.

People are 'personally connected' when they are, or have been married to each other or civil partners; or have agreed to marry or become civil partners. If the two people

have been in an intimate relationship with each other, have shared parental responsibility for the same child, or they are relatives.

The definition of Domestic Abuse applies to children if they see or hear, or experience the effects of, the abuse; and they are related to the abusive person.

(The definition can be found here:

https://www.legislation.gov.uk/ukpga/2021/17/part/1/enacted)

Types of domestic abuse include intimate partner violence, abuse by family members, teenage relationship abuse and child/adolescent to parent violence and abuse. Anyone can be a victim of domestic abuse, regardless of sexual identity, age, ethnicity, socio-economic status, sexuality or background and domestic abuse can take place inside or outside of the home.

Encompass is an alert system to schools via the Operation Encompass team of domestic abuse incidents – These arrive via email and allow DSL's to support children quickly (usually within 24 hrs) of an incident. The National Domestic Abuse helpline can be called free of charge and in confidence, 24 hours a day on 0808 2000 247.

Safeguarding issues: All staff should have an awareness of safeguarding issues that can put children at risk of harm. Behaviours linked to issues such as drug taking and or alcohol misuse, deliberately missing education and consensual and non-consensual sharing of nudes and semi-nude images and/or videos can be signs that children are at risk.

As a school we aim to ensure wherever possible children can access and use different media platforms safely. We educate through our PSHE & RSE lessons, our Computing lessons and whole school assemblies. Our online safety information can be found on the school website. As a school, we ensure that all staff are aware that children can abuse other children at any age and that it can happen both inside and outside of school and online. We send regular information to staff with updates via email and use the TES EDUCARE course to update training throughout the year. Our Child on Child Policy is also accessible to staff.

Our school ethos demonstrates that the effective safeguarding of children can only be achieved by putting children at the centre of a system where we listen and hear what they say. Every individual within Belton CE Primary School will play their part, including working with professionals from other agencies. We will take opportunities to teach children about important safeguarding issues in a way that is age appropriate. As a school we listen to and hear the child's voice through 'Pupil Voice' activities, the use of Worry Boxes in all classes, through PSHE & RSE lessons encouraging discussion around how to keep safe and through School Council activities. We also have two school ELSAs who work with identified children to support children with mental health problems. Staff can make referrals for support directly to ELSAS. We have a member of staff who is the Senior Mental Health lead and has training in children's mental health first aid.

. We hold NSPCC workshops for parents to make them aware of risks on a biannual basis and we subscribe to the Knowsley online newsletters which update staff and parents on the latest online safety news.

Our staff all have training to support them to identify the indicators that a child has suffered or is at risk of suffering abuse, neglect, or exploitation.

Our school is led by senior members of staff and governors whose aims are to provide a safe environment and vigilant culture where children and young people can learn and be safeguarded. If there are safeguarding concerns, we will respond with appropriate action in a timely manner for those children who may need help or who may be suffering, or likely to suffer, significant harm. Where staff members have concerns about a child (as opposed to a child being in immediate danger) they will decide what action to take in conjunction with the Snr Designated Safeguarding Lead.

Although we advocate that any staff can make a referral to children's social care, especially where a child is identified as being in immediate danger, they should however ensure that the Designated Safeguarding Lead (DSL), or a member of the senior leadership team is informed as soon as possible. We also ensure that all our staff are clear that whilst they should discuss and agree with the DSL any actions to be taken, they are able to escalate their concerns and contact First Response Consultation Line or social care to seek support for the child if despite the discussion with the DSL their concerns remain. Staff are also informed of the school whistleblowing procedures and the contact details for the Local Authority LADO and NSPCC helpline.

Our school works with other agencies to support vulnerable children. These include:
- Social workers
- Health professionals
- Early Help
- Attendance Team

Should the need arise we hold regular meetings in school, take part in partnership forums/ events, and access multi-agency training.

If required we would host meetings for individual children and families in school.

Where the school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil and should be satisfied that the provider can meet the needs of the pupil. Children who attend alternative education often have complex needs, it is important governing bodies/trusts and designated safeguarding leads ensure children are fully supported at all times, and the alternative setting is aware of any additional risks of harm that pupils may be vulnerable to. Information sharing for pupils who receive education provision outside of a mainstream setting is vital to support the child and ensure the learning environment where they are placed has all necessary information for the child before they access the provision. The working together principles are key to keep the child safe and understanding the vulnerabilities needing to be supported. This should include up to date contact details for the professionals working with the child and family. Schools should also obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been conducted on individuals working at the establishment, i.e., those checks that the school would otherwise perform in respect of its own staff. The Designated Safeguarding Lead (DSL) or headteacher, who is familiar with national and local guidance, will share concerns, where appropriate, with the relevant agencies.

We ensure staff, supply staff (if used) and volunteers receive appropriate safeguarding information during inductions and on a regular basis. Safeguarding items are recapped and explored at staff meetings.

All staff attend regular safeguarding training and receive updates from the Local Authority.

Safeguarding information is available on our information board in the staffroom.

Posters around school include information about our DSLs and how to report a safeguarding concern. This is made available to supply staff or volunteers working with the children. KCSiE 2023 has broadened the requirements placed on schools/colleges to keep children safe and ensure children are able to thrive and take the maximum benefit from their education or learning experiences.

The Senior DSL and deputies (DSL team) maintain a key role in raising awareness amongst staff about the needs of children who have or who have had a social worker and the barriers that children might experience in respect of attendance, engagement and achievement at schools or college.

The Snr DSL who is the Designated Teacher informs the Governing body and Headteacher the number of children in their cohort who have or who have had a social worker and appropriate information is shared with teachers and staff on individual children's circumstances

If appropriate The Designated Teacher would maintain data for children who have looked after status and for children who have been involved in the care system.

If required the Designated Teacher maintains good links with the Virtual School Heads to promote the educational achievement of previously looked after children. The role of virtual school heads was extended in June 2021, to include a non-statutory responsibility for the strategic oversight of the educational attendance, attainment, and progress of children with a social worker. The virtual school head should identify and engage with key professionals, helping them to understand the role they have in improving outcomes for children. This should include Designated Safeguarding Leads, social workers, headteachers, governors, Special Educational Needs Co-ordinator, mental health leads, other local authority officers. The Designated Teacher maintains good links with the Virtual School Heads to promote the educational achievement of previously looked after children. Belton CE Primary School manages the requirements and arrangements placed on Designated Safeguarding Leads have dedicated meeting time to fulfil requirements of the role and leadership time if required.

To ensure staff remain vigilant and are able to respond to safeguarding concerns, incidents or emerging threats we have yearly external safeguarding training, regular updates throughout the year and regular reminders in staff meetings. DSLs have regular supervision and keep up to date the latest updates e.g. through Andrew Hall safeguarding updates.

Online abuse may be a greater issue when children are not in attendance at school and are engaging in learning remotely and may have limited supervision from parents/carers. We have provided information through NSPCC parents meetings and on the school website to provide support for parents and children to remain free from risk, exploitation, grooming or radicalisation. The online safety policy includes an understanding of the expectations, applicable roles and responsibilities for **all staff** in relation to filtering and monitoring.

All staff are aware that children can abuse other children at any age (often referred to as child-on-child abuse). And that it can happen both inside and outside of school or online. Through regular training and updates, all staff can recognise the indicators and signs of abuse and know how to identify it and respond to reports by recording it on CPOMS.They maintain an attitude of 'it could happen here'.

When concerned about the welfare of a child, staff always act in the best interests of the child. They do not assume a colleague or another professional will take action and share information that might be critical in keeping children safe.

 If staff have any concerns about a child's welfare, they act on them immediately. They follow the child protection policy and speak to the designated safeguarding lead (or a deputy).

Children Missing Education (see CME Policy for more information):
Knowing where children are during school hours is an extremely important aspect of Safeguarding. Missing school can be an indicator of abuse and neglect and may also raise concerns about others safeguarding issues, including the criminal exploitation of children.

We monitor attendance carefully and address poor or irregular attendance without delay.

We will always follow up with parents/carers when pupils are not at school. This means we need to have at least two up to date contact numbers for parents/carers. Parents should remember to update the school as soon as possible if the numbers change.

In response to the guidance in Keeping Children Safe in Education (2022) the school has:

1. Staff who understand what to do when children do not attend regularly
2. Appropriate policies, procedures and responses for pupils who go missing from education (especially on repeat occasions).
3. Staff who know the signs and triggers for travelling to conflict zones, FGM and forced marriage.
4. Procedures to inform the local authority when we plan to take pupils off-roll when they:
   a. leave school to be home educated
   b. move away from the school's location
   c. are permanently excluded

We will ensure that pupils who are expected to attend the school, but fail to take up the place will be referred to the local authority.

When a pupil leaves the school, we will record the name of the pupil's new school and their expected start date.

Our school ethos demonstrates that the effective safeguarding of children can only be achieved by putting children at the centre of a system where we listen and hear what they say. Every individual within Belton CE Primary School will play their part, including working with professionals from other agencies, particularly social workers, to meet the needs of our most vulnerable children and keep them safe. We will take opportunities to teach children about important safeguarding issues in a way that is age appropriate. We put the children at the centre of our safeguarding arrangements. We have a prominent display board in the hall, which is referred to regularly in assemblies/ collective worship. We have a school rule that children can speak to the headteacher about any concerns (or senior member of staff if Headteacher is not in school) at any time. We listen to any concerns through the school council or through feedback from the children.

Our school is led by senior members of staff and governors whose aims are to provide a safe environment and vigilant culture where children and young people can learn and be safeguarded. If there are safeguarding concerns, we will respond with appropriate action in a timely manner for those children who may need help or who may be suffering, or likely to suffer, significant harm.

Where staff members have concerns about a child (as opposed to a child being in immediate danger) they will decide what action to take in conjunction with the Snr Designated Safeguarding Lead. Although we advocate that any staff member can make a referral to children's social care or First Response, especially where a child is identified as being in immediate danger, they should however ensure that the Designated Safeguarding Lead (DSL), or a member of the senior leadership team is informed as soon as possible.

We also ensure that all our staff are clear that whilst they should discuss and agree with the DSL on any actions to be taken, they are able to escalate their concerns and contact First Response, First Response Consultation Line or social care themselves. This ensures support for the child if despite the discussion with the DSL their concerns remain Staff are also informed of the school's whistle blowing procedures and the contact details for the Local Authority LADO and NSPCC helpline.The school works with a wide range of agencies including statutory safeguarding partners to support vulnerable children and where necessary have regular contact when needed with post adoption,

social care and social workers. This may include holding regular meetings online or in school, taking part in partnership forums/events, or accessing multi-agency training. We also offer to facilitate meetings for individual children and families in school to support easier local access and involvement by children, parents and or carers.

Where the school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil and should be satisfied that the provider can meet the needs of the pupil.

Children who attend alternative education often have complex needs, it is important the governing bodies and designated safeguarding leads ensure children are fully always supported, and the alternative setting is aware of any additional risks of harm that pupils may be vulnerable to. Information sharing for pupils who receive education provision outside of a mainstream setting is vital to support the child and ensure the learning environment where they are placed has all necessary information for the child before they access the provision. The working together principles are key to keep the child safe and understanding the vulnerabilities needing to be supported. This should include up to date contact details for the professionals working with the child and family.

The School would obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been conducted on individuals working at the establishment, i.e., those checks that the school would otherwise perform in respect of its own staff.

The Designated Safeguarding Lead (DSL) is familiar with national and local guidance, and will share concerns, where appropriate, with the relevant agencies. Concerns and referrals are made through the Multi Agency referral system. This may include contact with social care or Early Help.

When the school site is used by outside organisations (see KCSiE 2023 paragraph 377), we ensure these organisations have their own safeguarding procedures and policies in place. Should the school receive an allegation related to an incident that happened when an individual or organisation was using the school premises for the purpose of running activities for children (e.g., FSA, sports associations, or service providers that run extra-curricular activities) then the school will follow their safeguarding policies and procedures, including informing the LADO.

We ensure staff, supply staff (if used) and volunteers receive appropriate safeguarding information during inductions and on a regular basis. Safeguarding items are recapped and explored at staff briefings. All staff attend regular safeguarding training and receive updates from the LA briefings or through EDUCARE courses. Safeguarding information is available on our information board. Posters of how to report concerns are available around school This is made available to supply staff or volunteers working with the children.

School ensures the safe recruitment of all staff and maintains ongoing vigilance (see KCSiE 2023 paragraph 343) to ensure a culture which considers matters inside and outside the workplace including online behaviour.

KCSiE 2023 has broadened the requirements placed on schools/colleges to keep children safe and ensure children are able to thrive and take the maximum benefit from their education or learning experiences.

The Senior DSL and deputies (DSL team) maintains a key role in raising awareness amongst staff about the needs of children who have or who have had a social worker and the barriers that those

children might experience in respect of attendance, engagement and achievement at schools or college.

The Senior DSL along with the Designated Teacher can inform the Governing body and Headteacher the number of children in their cohort who have or who have had a social worker and appropriate information is shared with teachers and staff on individual children's circumstances

The Designated Teacher and Senior Designated Safeguarding Lead maintain data for children who have looked after status and for children who have been involved in the care system.

The Designated Teacher maintains good links with the Virtual School Head to promote the educational achievement of previously looked after children. The role of virtual school heads was extended in June 2021, to include a non-statutory responsibility for the strategic oversight of the educational attendance, attainment, and progress of children with a social worker. The virtual school head should identify and engage with key professionals, helping them to understand the role they have in improving outcomes for children. This should include Designated Safeguarding Leads, social workers, headteachers, governors, Special Educational Needs Co-ordinators, mental health leads, other local authority officers.

When required the school manages the requirements and arrangements placed on Designated Safeguarding Leads and the Designated Teacher for children with looked-after status.

We are aware of the additional safeguarding vulnerabilities of children with SEND, and the SEND Code of Practice is a source of information and support is available to school and families from specialist organisations including SENDIASS.

Our Child Protection Policy

There are seven main elements to our policy:

- Providing a safe environment in which children can learn and develop.
- Ensuring we practise safe recruitment in checking the suitability of staff and volunteers to work with children.
- Developing and then implementing procedures for identifying and reporting cases, or suspected cases of abuse in and outside of school.
- Supporting pupils who have social care involvement in accordance with his/her child in need plan, child protection plan or are subject to Local Authority Care.
- Raising awareness of safeguarding children, child protection processes and equipping children with the skills needed to keep them safe in and outside of school.
- Working in partnership with agencies and safeguarding partners in the 'best interest of the child.'
- Ensuring we have appropriate policies and procedures to deal with child-on-child sexual violence and sexual harassment, including those that have happened outside of the school premises and/or online, forms of harassment and harmful sexual behaviour.

We recognise that because of the day-to-day contact our school has with children both them and us are well placed to observe the outward signs of abuse.

The school will therefore:

- Establish and maintain an environment where children feel secure, are encouraged to talk, and are listened to and heard.
- Ensure children know that there are trusted adults in the school who they can approach if they are worried.
- Ensure that every effort is made to establish effective working relationships with parents, carers, and colleagues from other agencies.
- Include opportunities in the PSHE & RSE curriculum for children to develop the skills they need to recognise and stay safe from abuse by:
- Recognise and manage risks including online safety, radicalisation and extremism, sexual exploitation, child on child sexual violence and sexual harassment, the sharing of nude and semi -nude images which has replaced what was termed as sexting.
- Support the development of healthy relationships and awareness of domestic violence and abuse, recognising that Domestic Abuse can encompass a wide range of behaviours and may involve a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial, or emotional harm and children can be victims of domestic abuse. They may see, hear, or experience the effects of abuse at home and/or suffer domestic abuse in their own intimate relationships (teenage relationship abuse). All of which can have a detrimental and long-term impact on their health, well-being, development, and ability to learn.
- Recognise how pressure from others and safeguarding vulnerabilities can affect their behaviour.
- Recognise the link between mental health, school attendance and children 'absent from education' and the impact on learning, progress, and educational attainment.
- Knowing that as a school we will act swiftly to address any concerns related to serious violence, gang and knife crime or child on child sexual violence or sexual harassment incidents.
- Ensure our behaviour policy includes measures to prevent bullying, including cyberbullying, harmful online challenges, hoaxes, prejudice-based and discriminatory bullying through use of social media platforms and networks
- Maintain an on-line safety policy which addresses statutory filtering and monitoring standards, which take into account remote learning, and use of mobile and smart technology and is reviewed regularly to take into account any new threats.
- The response required by schools and safeguarding agencies to address any 'harm outside the home' also known as 'extra familial harm.' Schools are a place of protection and where children and young people can share concerns and seek support. They are a place of safety and where children and young people can form safe and trusted relationships. Through creating a whole school ethos and sharing excellent communication with safeguarding partners and services, children and young people can feel assured they will be listened to, heard, and offered support to enable them to share sensitive information and strengthen their resilience.
- Importance of our school ethos of working together with parents, carers, and external services to form strong and trusted partnerships which can advocate trauma informed and trauma aware responses; where trusted relationships can be formed and go on to create safe places and spaces within the community. This enables children and young people to know how to access a place of safety outside of the school/college environment if needed.
- We will take all reasonable measures to ensure any risk of harm to children's welfare is minimised inside and outside of the school environment.
- Take all appropriate actions to address concerns about the welfare of a child, working to local policies and procedures in full working partnership with agencies.
- Ensure robust child protection arrangements are in place and embedded in the daily life and practice of the school.

- Promote pupil health and safety.
- Promote safe practice, and challenge unsafe practice.
- Ensure that procedures are in place to deal with allegations of abuse against teachers and other staff including volunteers, supply staff and contractors. ie low level concerns polic
- Provide first aid and meet the health needs of children with medical conditions
- Ensure school site security.
- Address drugs and substance misuse issues.
- Support and plan for young people in custody and their resettlement back into the community.
- Work with all agencies regarding missing children, anti-social behaviour/gang activity and violence in the community/knife crime and children at risk of sexual exploitation.
- Everyone has a duty to safeguard children inside/outside the school environment including school trips, extended school activities, vocational placements, and alternative education packages.

We understand our responsibility to ensure children who may be LGBT have a trusted adult who they can be open with. We are aware that children who are LGBT may be targeted and ensure any forms of discrimination of or hate towards LGBT people or those perceived to be LGBT are not tolerated.

Child abduction and community safety incidents – Child abduction is the unauthorised removal or retention of a minor from a parent or anyone with legal responsibility for the child. Child abduction can be committed by parents or other family members; by people known but not related to the victim (such as neighbours, friends, and acquaintances); and by strangers. Staff are all aware of the adults with parental responsibility that can collect children from school and of permissions given by these.

Other community safety incidents in the vicinity of a school can raise concerns amongst children and parents, for example, people loitering nearby or unknown adults engaging children in conversation. Children are taught to always report concerns to a member of staff who will report to a DSL. As children get older and are granted more independence (for example, as they start walking to school on their own) they are taught how to ride a bike safely, road safety and how to make good choices when being independent.

Belton CE Primary School conducts weekly Forest school sessions. Part of our forest school approach involves teaching our pupils to be able to manage risk. In order to become responsible, confident individuals who are equipped for the future, we believe that our pupils should have the opportunity to take part in risky activities and should be involved in managing their own risks to age and ability appropriate levels. Everyday life is full of risks and challenges and our pupils need opportunities to develop the skills associated with managing risk and making informed judgements about risk from an early age. Risky play helps to develop important life skills such as building resilience and persistence in order to protect themselves and to build confidence to ask for support.

We will follow the procedures set out by the Leicestershire and Rutland Safeguarding Children Partnership (LRSCP) and take account of guidance issued by the DfE in Keeping Children Safe in Education 2023 to:

- Ensure we have a Senior Designated Safeguarding Lead (DSL), who is a member of the school/college leadership team, and a Deputy Safeguarding Lead for child protection/safeguarding who has received appropriate training and support for this role.
- The Designated Safeguarding Lead role is written into their job description and clarifies the role and responsibilities including as defined in KCSiE 2023 Annex C.

- Ensure we have a nominated governor responsible for child protection/safeguarding.
- Ensure that we have a Designated Teacher for Looked After Children (LAC).
- Ensure every member of staff (including temporary, supply staff and volunteers) and the governing body knows the name of the Senior Designated Safeguarding Lead, their deputies responsible for child protection, and their role.
- Ensure all staff and volunteers understand their responsibilities in being alert to the signs of abuse and their responsibility for referring any concerns to the Designated Safeguarding Lead, or to children's social care/police if a child is in immediate danger.
- Ensure all staff and volunteers are aware of the early help process and understand their role in making referrals or contributing to early help offers and arrangements.
- Ensure that there is a whistleblowing policy and culture where staff can raise concerns about unsafe practice, and that these concerns will be taken seriously.
- Ensure that there is a complaints system in place for children and families.
- Ensure that parents understand the responsibility placed on the school and staff for child protection and safeguarding by setting out its obligations in the school prospectus and on the school's website.
- Notify Children's Social Care if there is an unexplained absence for a child who is subject to a child protection plan and where no contact can be established with the child, or a parent or appropriate adult linked to the child.
- Develop effective links with relevant agencies and cooperate as required with their enquiries regarding child protection matters, including attendance at child protection conferences.
- Keep written records of concerns about children, even where there is no need to refer the matter immediately; documenting and collating information on individual children to support early identification, referral, and actions to safeguard.
- Ensure all records are kept securely. Records of concerns are written down using the CPOMS system, if Cpoms is not available i.e. lunchtime staff/ visitors to school they are written down on the pink form available in the staffroom, signed and dated and passed immediately to the Designated Safeguarding Lead (or a Deputy). The Designated Safeguarding Lead is responsible for such records and for deciding at what point these records should be passed over to other agencies
- Ensure that we follow robust processes to respond when children are missing from education or missing from home or care.
- Develop and then follow procedures where an allegation is made against a member of staff or volunteer.
- Ensure safe recruitment practices are always followed.
- Apply confidentiality appropriately.
- Apply the LLRSCB escalation procedures if there are any concerns about the actions or inaction of social care staff or staff from other agencies.

Supporting children

We recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. We recognise that children who are abused or who witness violence may find it difficult to develop a positive sense of self-worth. They may feel helplessness, humiliation, and some sense of blame. The school may be the only stable, secure, and predictable element in the lives of children at risk. When at school their behaviour may be challenging and defiant or they may be withdrawn. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people

which facilitate communication. We also recognise that there are children who are more vulnerable than others, which include children with special educational needs and/ or disabilities.

All staff including volunteers are advised to maintain the attitude of **'it could happen here'** where safeguarding is a concern, and when concerned about the welfare of the child should always act in the **best** interests of the child.

Our school **will endeavour to support the pupil through:**

● Developing the content of the curriculum to ensure children know how to be safe including safer internet day, references to safety in assemblies and the content of the RHSE curriculum.
● Maintaining a school ethos which promotes a positive, supportive and secure environment, and which gives children a sense of being valued.
● The school behaviour policy, anti-bullying policy and child-on-child abuse policy which is kept up to date with national and local guidance and which is aimed at supporting vulnerable pupils in school.
● Ensuring all children know that some behaviours are unacceptable and will need to be addressed but as members of our school they are valued and will be supported through the time required to deal with any abuse or harm that has occurred, or outcomes from incidents**.**

We will do this through:

● The work of our Senior Mental Health Lead in school
● Our whole school approach
● The use of calm down spaces and familiar adults
● The provision of a range of well-being interventions including
● Circle time
● ELSA sessions
● Lego Therapy
● Forest School sessions
● Our support for parents and carers, where appropriate.
● The attendance team
● Education Psychology Services
● Early Help
● Liaison with other agencies that support the pupil such as Children's Social Care (in line with the Thresholds for access to services, updated in September 2021); Leicestershire Inclusion Service and Education Psychology Service, and the Children and Family Wellbeing Service,
● Ensuring that, where a child subject to a child protection plan, child in need plan or where there have been wider safeguarding concerns, leaves our school, their information is transferred to the new school immediately or within 5 working days and that the child's social worker is informed.
● Ensuring that the vulnerability of children with special educational needs or disabilities is recognised and fully supported by class teachers, the SENCo and wider staff and through liaison with parents and carers.
● Taking seriously a child's disclosure, concern or reporting of an incident that has involved them in sexual violence or sexual harassment.
● All staff members will ensure the child (victim) is taken seriously, kept safe and never be made to feel like they are creating a problem for reporting abuse, sexual violence, or sexual harassment. They will inform a member of the DSL team immediately, and actions will be

taken in line with the school's peer on peer, sexual violence and sexual harassment between children in school policies.

Safe Staff and Safe Recruitment

- The leadership team and governing body of Belton C of E Primary School will ensure that all safer working practices and recruitment procedures are followed in accordance with the guidance set out in KCSiE 2023 Part Three.
- School leaders, staff and members of the governing body will be appropriately trained in safer working practices and access safer recruitment training.
- Statutory pre-employment checks and references from previous employers are an essential part of the recruitment process. We will ensure we adopt the appropriate necessary procedures to carry out the checks required and where any concerns arise, we will seek advice and act in accordance with national guidance.
- The school has in place recruitment, selection, and vetting procedures in accordance with KCSiE 2023 Part Three and maintains a Single Central Record (SCR), which is reviewed regularly and updated in accordance with KCSiE 2023 Part Three paragraphs 206 to 351.

- Staff will have access to advice on the boundaries of appropriate behaviour and will be aware of the School Employee Code of Conduct, which includes contact between staff and pupils outside the work context. Concerns regarding low-level concerns will be included in our Code of Conduct as an appendix from 1 September 2023 in line with KCSiE Part Four Section two. Staff get a copy of this document each year which they sign for. They can also get a further copy from the school office.
- Newly appointed staff and volunteers will be informed of our arrangements for safer working practices by the headteacher or Deputy DSL's before beginning working and contact with pupils.
- In the event of any complaint or allegation against a member of staff, the headteacher (or the Designated Safeguarding Lead) if the headteacher is not present, will be notified immediately. If it relates to the headteacher, the chair of governors will be informed without delay. We will respond to all allegations robustly and appropriately in collaboration with the Local Authority Designated Officer (LADO), LADO Allegation Officers or HR Service.
- Staff may find some of the issues relating to child protection and the broader areas of safeguarding upsetting and may need support which should be provided by the school and their Human Resources Team or the LA Wellbeing service
- Advice and support will be made available by the Safeguarding and Compliance Lead (SCL), LADO and LCC HR where appropriate to the leadership team.

In line with KCSiE 2023 Part Three: Alternative Provision, where a school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil and should be satisfied that the provider meets the needs of the pupil.

The school will obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been conducted on individuals working at the establishment, i.e., those checks that the school would otherwise perform in respect of its own staff.

Links to other Local Authority policies

This policy, together with the following, should be read alongside and in conjunction with other policies and statutory guidance regarding the safety and welfare of children, including those adopted

from Leicestershire County Council and the Leicestershire and Rutland Safeguarding Children Partnership (LRSCP). These together will make up the suite of policies to safeguard and promote the welfare of children in this school:

- Anti-Bullying
- Attendance Policy
- Equality Policy
- Complaints Procedure
- Online Safety Policy
- Female Genital Mutilation (FGM) Guidance
- Radicalisation – Prevent Duty
- Child on Child Abuse Policy
- Use of Reasonable Force Policy
- Register of Pupil Attendance
- Relationships, Sex and Health Education Scheme of Work (KCSiE paragraphs 130 and 131). • Special Educational Needs Policy
- Staff Behaviour Policy
- Staff Discipline Conduct and Grievance procedures
- School information published on the website.
- Whistle Blowing Policy
- Guidance for NSPCC helpline
- Leicestershire and Rutland Safeguarding Children Partnership Policy, Procedures and Practice

Roles and Responsibilities

All staff and volunteers

Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone in our school who comes into contact with children and their families has a role to play in safeguarding children.
 All staff in our school will consider, at all times, what is in the best interests of children. All staff are important as they are in a position to identify concerns early and provide help to children to prevent concerns from escalating.
All staff contribute to enabling a safe environment when out of school on trips or extended learning opportunities by:
- Ensuring there is a Educational Visits Coordinator who is trained and supports other staff in writing risk assessments
- All risk assessments are agreed by the headteacher
- Residential risk assessments are completed on EVOLVE and agreed by the EVC and head teacher
- Arrangements are in place to enable children with particular needs or vulnerabilities to access school trips safely, in conjunction with parents and carers, and adult ratios are considered carefully
- First aiders are always present on our of school trips
- Arrangements are in place for contacting parents during the course of a trip, and permissions sought for how children return home when a trip continues after the end of the school day
- Only reputable travel companies with fully seat-belted coaches are used to transport children.

All our staff are aware of the early help process and understand their role in this. This includes being able to identify emerging problems to recognise children who may benefit from early help.

Staff know in the first instance to discuss their concerns with the DSL, and understand they may be required to support other agencies and professionals in assessments for early help.

Where appropriate the school works closely with social care staff and recognises the importance of welcoming social workers into school and providing a safe and confidential space for them to work with children.

The DSL team when needed work with many safeguarding partners to ensure children subject to child protection, child in need and LAC plans are kept safe, and their needs are met.

Parents/ carers are encouraged to come into school to seek support or advice. We signpost children, parents and carers in school and through your website, posters, newsletters and during meetings.

Safeguarding Training

All our staff are aware of systems within Belton C of E Primary School and these are explained to them as part of staff induction, which include our child protection policy; the employee code of conduct and the role of the Designated Safeguarding Lead and Keeping Children Safe in Education 2023.

Our school utilises an induction checklist when staff are inducted which includes the above, but also other policy and procedural information

All our staff receive safeguarding and child protection training which is updated every year. In addition, to this training all staff members receive child protection and safeguarding updates when required. Training is provided through the Local authority and we are kept up to date with any local or national changes to safeguarding guidance through updates by the LA, DSL reading and training and EDUCARE courses.

All our staff are aware of the process for making referrals to children's social care and for statutory assessments under the Children Act (1989) and understand the role they may have in these assessments.

All our staff know what to do if a child is raising concerns or makes a disclosure of abuse and/or neglect. Staff will maintain a level of confidentiality whilst liaising with the Designated Safeguarding Lead and children's social care. Our staff will never promise a child that they will not tell anyone about a disclosure or allegation, recognising this may not be in the best interest of the child.

Staff responsibilities

All staff have a key role to play in identifying concerns and provide early help for children.

To achieve this, they will:

- Establish and maintain an environment where children feel secure, are encouraged to talk and are listened to.
- Ensure children know that there are adults in the school who they can approach if they are worried or have concerns.
- Plan opportunities within the curriculum for children to develop the skills they need to assess and manage risk appropriately and keep themselves safe.

- Lead and ensure robust arrangements and procedures are in place to effectively manage and regularly monitor the school online safety, and specifically appropriate filtering and monitoring on school devices and school networks which are reflected in this Child Protection Policy , including awareness of ease of access to mobile phone networks. In agreement with the Governing body
- Attend training to be aware of and alert to the signs of abuse.
- Maintain an attitude of "it could happen here" with regards to safeguarding.
- Record their concerns if they are worried that a child is being abused and report these to the DSL as soon as practical that day. If the DSL is not contactable immediately a Deputy DSL should be informed.
- Be prepared to refer directly to social care, and the police if appropriate, if there is a risk of significant harm and the DSL or their Deputy is not available.
- Follow the allegations procedures if the disclosure is an allegation against a member of staff.
- Follow the procedures set out by the LRSCP and take account of guidance issued by the DfE KCSiE 2023.
- Support pupils in line with their child protection plan, child in need plan, LAC Care Plan.
- Treat information with confidentiality but never promising to "keep a secret."
- Notify the DSL or their Deputy of any child on a child protection plan or child in need plan who has unexplained absence.
- Understand early help and be prepared to identify and support children who may benefit from early help.
- Liaise with other agencies that support pupils and provide early help.
- Ensure they know who the DSL and Deputy DSLs are and know how to contact them.
- Have an awareness of the Child Protection Policy, the Behaviour Policy, the Staff Behaviour Policy (or Code of Conduct), procedures relating to the safeguarding response for children who go missing from education and the role of the DSL.
- Liaise with the NSPCC, Police Community Support Officers (PCSOs), any counselling services used and Health professionals .

Senior Leadership/Management Team responsibilities:

- Contribute to inter-agency working in line with HM Working Together to Safeguard Children 2018 (updated December 2020) guidance.
- Contact early help when additional needs of children are identified.
- Ensure all staff, supply staff and volunteers are alert to the definitions of abuse and indicators, and through access to regular training opportunities and updates.
- Ensure staff are alert to the various factors that can increase the need for early help.
- Working with Children's Social Care, support their assessment and planning processes including the school's attendance at conference and core group meetings as appropriate.
- Carry out tasks delegated by the governing body such as training of staff and volunteers, safer recruitment and maintaining of a single central register.
- Provide support and advice on all matters pertaining to safeguarding and child protection to all staff regardless of their position within the school.
- Treat any information shared by staff or pupils with respect and follow agreed policies and procedures.
- Ensure that allegations or concerns against staff including low-level concerns are dealt with in accordance with guidance from Department for Education (DfE KCSiE 2023 Part Four 'Allegations made against/Concerns raised in relation teachers including supply teachers, other staff, volunteers, and contractors in Sections One and Two.
- Leicestershire and Rutland Safeguarding Children Partnership (LRSCP) and Leicestershire County Council (LCC).

LOW LEVEL CONCERNS ABOUT STAFF BEHAVIOUR

Allegations or concerns about an adult working in the school whether as a teacher, supply teacher, other staff, volunteers or contractors

At Belton CE Primary School we recognise the possibility that adults working in the school may harm children, including governors, volunteers, supply teachers and agency staff. Any concerns about the conduct of other adults in the school should be taken to the headteacher without delay; any concerns about the headteacher should go to the Chair of Governors Jo Lee who can be contacted by in the first instance via chair@beltonprimary.org

Any concerns about the conduct of a member of staff, supply teachers, volunteers or contractors should be reported to the headteacher.

Concerns may come from various sources, for example, a suspicion; complaint; or disclosure made by a child, parent or other adult within or outside of the organisation; or as a result of vetting checks undertaken.

The headteacher/principal has to decide whether the concern is an allegation or low-level concern. The term 'low-level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the threshold for referral to the Local Authority Designated Officer (LADO) (see below).

Allegations

It is an allegation if the person* has:

- behaved in a way that has harmed a child, or may have harmed a child and/or;
- possibly committed a criminal offence against or related to a child and/or;
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; and/or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children (also includes behaviour outside the school).

(*Person could be anyone working in the school, including supply teachers, volunteers and contractors.)

Allegations should be reported to the LADO 'without delay'.

Before contacting the LADO, schools and colleges should conduct basic enquiries in line with local procedures to establish the facts to help them determine whether there is any foundation to the allegation, being careful not to jeopardise any future police investigation. The LADO's role is not to investigate the allegation, but to ensure that an appropriate investigation is carried out, whether that is by the police, children's social care, the school or college, or a combination of these.

Low-level Concerns

Concerns may be graded Low-level if the concern does not meet the criteria for an allegation; and the person* has acted in a way that is inconsistent with the staff code of conduct, including inappropriate conduct outside of work. Example behaviours include, but are not limited to:

- being over friendly with children;
- having favourites;
- taking photographs of children on their mobile phone;

- engaging with a child on a one-to-one basis in a secluded area or behind a closed door; or,
- using inappropriate sexualised, intimidating or offensive language.

At Belton CE Primary School we:

- ensure their staff are clear about what appropriate behaviour is, and are confident in distinguishing expected and appropriate behaviour from concerning, problematic or inappropriate behaviour, in themselves and others;
- empower staff to share any low-level safeguarding concerns with the designated safeguarding lead (or a deputy);
- address unprofessional behaviour and supporting the individual to correct it at an early stage;
- provide a responsive, sensitive and proportionate handling of such concerns when they are raised; and,
- help identify any weakness in the school's safeguarding system.

If the concern has been raised via a third party, the headteacher should collect as much evidence as possible by speaking:

- directly to the person who raised the concern, unless it has been raised anonymously;
- to the individual involved and any witnesses.

Reports about supply staff and contractors should be notified to their employers, so any potential patterns of inappropriate behaviour can be identified.

Staff should be encouraged and feel confident to self-refer, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.

Low-level concerns should be recorded in writing, including:
- name* of individual sharing their concerns
- details of the concern
- context in which the concern arose
- action taken

(* if the individual wishes to remain anonymous then that should be respected as far as reasonably possible)

Records must be kept confidential, held securely and comply with the Data Protection Act 2018. Schools and colleges should decide how long they retain such information, but it is recommended that it is kept at least until the individual leaves their employment.

Records should be reviewed so that potential patterns of concerning, problematic or inappropriate behaviour can be identified.

If a concerning pattern of behaviour is identified and now meets the criteria for an allegation, then the matter should be referred to the LADO. Allegations that may meet the harms threshold:

This part of the guidance is about managing cases of allegations that might indicate a person would pose a risk of harm if they continue to work in their present position, or in any capacity with children in a school or college. This guidance should be followed where it is alleged that anyone working in the school or a college that provides education for children under 18 years of age, including supply teachers, volunteers and contractors has:

- behaved in a way that has harmed a child, or may have harmed a child and/or;
- possibly committed a criminal offence against or related to a child and/or;
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; and/or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

The records' review might identify that there are wider cultural issues within the school or college that enabled the behaviour to occur. This might mean that policies or processes could be revised or extra training delivered to minimise the risk of it happening again.

Teachers (including NQTs) and Headteachers – Professional Duty

The Teachers Standards 2012 (updated 13 December 2021) remind us that teachers, newly qualified teachers and headteachers should safeguard children and maintain public trust in the teaching profession as part of our professional duties.

The Children and Social Work Act of 2017, places responsibilities for Designated Teacher to have responsibility for promoting the educational achievement of children who have left care through adoption, special guardianship, or child arrangement orders or who were adopted from state care outside England and Wales.

The Designated Teacher and the DSL team are aware of any children meeting the above criteria as are relevant class teachers. When appropriate The Designated Teachers receives termly updates from the LA Virtual School and attends training updates at.. Where appropriate children are informed of who the Designated Teacher is, and are given the emotional support they require e.g. ELSA sessions.

Designated Safeguarding Lead

We have a Senior Designated Safeguarding Lead who takes lead responsibility for safeguarding children and child protection who has received appropriate training and support for this role. The Snr Designated Safeguarding Lead is a senior member of the school leadership team, and their responsibilities are explicit in their job description.

We also have two Deputy Safeguarding Leads, who will provide cover for the Senior Designated Safeguarding Lead when they are not available. Our Deputy Safeguarding Leads have received the same training as our Senior Designated Safeguarding Lead. They will provide additional support to ensure the responsibilities for child protection and safeguarding children are fully embedded within the school ethos and that specific duties are discharged. They will assist the Senior Designated Safeguarding Lead in managing referrals, attending child protection conferences, reviews, core group meetings and other meetings of a safeguarding and protection nature to support the child/children.

We acknowledge the need for effective and appropriate communication between all members of staff in relation to safeguarding pupils. Our Designated Safeguarding Lead will ensure there is a structured procedure within the school, which will be followed by all the members of the school community in cases of suspected abuse.

The Senior Designated Safeguarding Lead is expected to:

Manage Referrals

- Refer cases of suspected abuse or allegations to the relevant investigating agencies.
- Support staff who make referrals to children's social care and other referral pathways.
- Refer cases where a person is dismissed or left due to risk/harm to a child and will make a referral to the Disclosure and Barring Service.
- Ensure arrangements are in place year-round for all staff and volunteers to seek advice, support and inform of safeguarding concerns, or incidents and disclosures that inform children are at risk of harm, or abuse, harm or bullying or sexual harm or harassment has occurred.
- Ensure appropriate systems are in place to manage and address online safety, access to mobile phone networks, especially for those children who are potentially at greater risk of harm, abuse, and exploitation and refer concerns where required linked to the PREVENT duty.

The Senior DSL and DSL team meet on a regular basis, both informally and more formally to ensure everyone is fully informed and able to respond to the needs of children subject to safeguarding concerns.

- The school supports vulnerable children and children subject to safeguarding concerns by:
- Close liaison with any/ all partner agencies to support and deliver safeguarding plans
- Staff knowledge of children and their circumstances and needs
- ELSA
- Monitoring attendance at school and intervening when this falls below expected levels
- Support, advice and challenge for parents and carers

Work with others

- Liaise with the Snr DSL to inform him/her of any issues and ongoing investigations.
- As required, liaise with the 'case manager' (as per Part Four of KCSiE 2023) and the LADO where there are child protection concerns/allegations that relate to a member of staff.
- Liaise with the case manager and the LADO/LADO Allegation Officer where there are concerns about a staff member.
- Liaise with staff on matters of safety and safeguarding and deciding when to make a referral by liaising with other agencies and acts as a source of support, advice, and expertise for other staff.
- Take part in strategy discussions or attend inter-agency meetings and/or support other staff to do so and to contribute to the assessment of children.
- Liaise with the local authority and other agencies in line with Working Together to Safeguard Children 2018 (updated December 2020) and the local Leicestershire Safeguarding Children Partnership procedures and practice guidance.

- The headteacher, designated safeguarding leads and governing body are aware of the local arrangements put in place by Leicestershire and Rutland Safeguarding Children Partnership (LRSCP) and know how to access the LRSCP website and training.

Undertake training

- Formal Designated Safeguarding Lead training will be undertaken at least every two years. Informal training and updating of knowledge and skills will be at regular intervals, undertaken at least annually.
- The Senior Designated Safeguarding Lead is responsible for their own training and should obtain access to resources or any relevant refresher training.
- The Senior Designated Safeguarding Lead is also responsible for ensuring all other staff with designated safeguarding responsibilities access up to date and timely safeguarding training.
- Online training also is undertaken regularly through EDUCARE courses

The training undertaken should enable the Designated Safeguarding Lead to:

- Understand the assessment process for providing early help and intervention through the Thresholds to access to services.
- Have a working knowledge of how the Leicestershire and Rutland Safeguarding Children Partnership operates, the conduct of a child protection conference, and be able to attend and contribute to these effectively when required to do so.
- Ensure that each member of staff has access to the child protection policy and procedures.
- Understand the lasting impact that adversity and trauma can have, including on children's behaviour, mental health and wellbeing, and what is needed in responding to this in promoting educational outcomes
- Be alert to the specific needs of children in need, including those with special educational needs and or disabilities and young carers.
- Be able to keep detailed, accurate, secure written records of concerns and referrals.
- Understand the Prevent Duty and provide advice and support to staff on protecting and preventing children from the risk of radicalisation and being grooming into extremist behaviours and attitudes (KCSiE 2023 Annex A and B).
- Understand the reporting requirements for FGM.
- Understand and support children to keep safe when online and when they are learning at home (KCSiE 2022 Part Two – The Management of Safeguarding and page 111 to 116 and 134, 136 142 to 144, 152 and 158).
- Encourage a culture of protecting children, listening to children and their wishes and feelings.

Raise awareness

- Ensure that the child protection policies are known, understood, and used appropriately.
- Ensure that the child protection policy is reviewed annually in consultation with staff members, and procedures are updated and reviewed regularly and implemented, and that the governing body is kept up to date and actively involved.
- Work strategically to ensure policies and procedures are up to date and drive and support development work within the school.
- Ensure that the child protection policy is available to parents and carers and uploaded to the school website and make parents/carers aware that referrals may be made about suspected abuse or neglect.

- Ensure all staff receive induction training covering child protection before working with children and can recognise and report any concerns immediately as they arise.

Child Protection file

The Senior DSL is responsible for ensuring that when a child leaves the school any child protection, child in need or confidential files, stored electronically on CPOMS or in paper format, are transferred to the new school at the same time as the child is added to his or her new school or education provision roll. Files will migrate electronically on admission , be printed out and delivered in person obtaining a signed receipt, or be posted by registered post.

Where children leave for Elective Home Education, all Local Authority paperwork will be completed in a timely fashion, indicating clearly where there are any safeguarding concerns.

- Where children leave primary school, all safeguarding records will be delivered to secondary settings in line with the procedure above.
- Contact will be made with relevant safeguarding staff where a face to face conversations would be beneficial to children's safety and transition
- A record of the number of children open and subject to CP, CiN and LAC concerns is maintained and shared with the governing body annually.
- A record of the cohort of children who have or have had a social worker and social care involvement will be maintained.
- The school will maintain, keep and store records where a concern about a child has been identified in line with statutory guidance in KCSiE 2023
- The Headteacher has administration rights for CPOMS. Other members of the DSL team have access to all entries relating to children with CP, CiN, LAC concerns or any other vulnerabilities. Entries are carefully monitored and the Deputy DSL ensures all actions are followed through.

Availability

During term time the Senior Designated Safeguarding Lead or a Deputy will always be available (during school hours) for staff in the school or college to discuss any safeguarding concerns. In the absence of the Designated Safeguarding Leads a member of the senior leadership team will be nominated to provide cover. Appropriate arrangements will also need to be in place all year round for any out of school hours' activities in line with the guidance contained in DfE KCSiE 2023 Part Two and Annex C.

Headteacher

The Headteacher of the school will ensure that:

- The policies and procedures adopted by the governing body, (particularly those concerning referrals of cases of suspected abuse and neglect), are understood, and followed by **all** staff.
- The school maintains an up-to-date Single Central Record (SCR) which is reviewed regularly and is compliant with statutory guidance.

- Sufficient resources and time are allocated to enable the Designated Safeguarding Lead and other staff to discharge their responsibilities, including taking part in strategy discussions and inter-agency meetings, and contributing to the assessment of children.
- All staff and volunteers feel able to raise concerns about poor or unsafe practice with regard to children, and such concerns are addressed sensitively and effectively in a timely manner in accordance with agreed whistle-blowing policies.
- The Headteacher will ensure all staff including supply teachers and volunteers have access to and read and understand the requirements placed on them through: - the school's Child Protection Policy; the Staff Behaviour Policy/Code of Conduct Policy.
- The Headteacher will ensure there are mechanisms in place to assist staff to fully understand and discharge their role and responsibilities as set out in KCSiE 2023.
- Where there is an allegation made against a member of staff (either paid or unpaid, including volunteers) that meets the criteria for a referral to the LADO, then the headteacher or principal will discuss the allegation immediately with the LADO (within 24 hours) and ensure that cases are managed as per Part Four: Allegations made against/Concerns raised in relation to teachers, including supply teachers, other staff, volunteers, and contractors in KCSiE 2022. If the allegation is against the Headteacher, then the Chair of the Governing Body will manage the allegation – see below.

Governing Body

We recognise our Governing body has a strategic leadership responsibility for our school's safeguarding arrangements and <u>must</u> ensure they comply with their duties under legislation and <u>must</u> have regard to KCSiE 2023, ensuring policies, procedures and training in our school are effective and always comply with the law.
The governing body will be collectively responsible for ensuring that safeguarding arrangements are fully embedded within the school's ethos and reflected in the school's day to day safeguarding practices by:

- Ensuring there is an individual member of the governing body to take leadership responsibility for safeguarding and champion child protection issues in the school.
- Ensuring that the school has effective policies and procedures in line with statutory guidance (Working Together to Safeguard Children 2018, updated December 2020) as well as with local LRSCP guidance and monitors the school's compliance with them.
- Ensuring that safeguarding policies and procedures are in place for <u>appropriate</u> action to be taken in a <u>timely</u> manner to promote a child's welfare.
- Recognising the importance of information sharing between agencies through the statutory guidance provided within KCSiE 2023 Annex C page 166 to 170 and paragraphs 56 to 57, 115 to 121, 375, to 390, 476, 540 and 543 and page 158, the additional clarification about GPDR and withholding information.
- Ensuring cooperation with the local authority and other safeguarding partners.
- Appointing a Senior Designated Safeguarding Lead from the leadership team to take lead responsibility for child protection/safeguarding and that a Designated Teacher for Looked After Children is appointed and appropriately trained.
- Ensuring that all staff, supply teachers and governors read and fully understand at least KCSiE 2023 Part One and or Annex A as a minimum and ensure that there are mechanisms in place to assist staff to understand and discharge their role and responsibilities as required within the guidance.
- Ensuring that the governing body understands it is <u>collectively responsible</u> for the school's safeguarding arrangements, even though a governor will be nominated as the 'Safeguarding Governor' and person who will champion all safeguarding requirements.'

- All members of the governing body will undertake safeguarding training to ensure they have the knowledge and information needed to equip them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of robust 'safeguarding arrangements and act as the 'critical friend'. This training must focus on their strategic role and not on operational procedures.
- The Chair of Governors and named Safeguarding Governor will access role specific training to enable them to comply and discharge their child protection/ safeguarding responsibilities including should any allegations be made against the Headteacher/ Principal.
- The Governing body will collectively ensure there is a training strategy in place for all staff, including the headteacher, so that child protection training is undertaken and refreshed in line with KCSiE 2023 and LRSCP guidance.
- Ensuring that staff undergo safeguarding child protection training at induction and that there are arrangements in place for staff to be regularly updated to ensure that safeguarding remains a priority.
- Ensuring that temporary staff and volunteers who work with children are made aware of the school's arrangements for child protection and their responsibilities
- Ensuring there are procedures in place to manage allegations against staff and exercise disciplinary functions in respect of dealing with a complaint KCSiE 2023 Part Four Section One.
- Ensuring that arrangements/procedures are in place to manage and provide clarity on the process for sharing 'low level' concerns, which should be referred to within the school Staff Behaviour policy, (Allegations and concerns about a staff member that after initial consideration by the 'case manager' do not meet the criteria for a referral to LADO).
- Ensuring a response if there is an allegation against the headteacher by liaising with the LADO or other appropriate officers within the local authority.
- Ensuring appropriate responses to children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse, including child sexual exploitation and going missing in future.
- Be aware of the issues involving the complexity of serious violence and sexual violence and sexual harassment between children and ensure the school has policy, procedures and staff are trained (including the DSL and Senior Leadership) to recognise and respond to incidents and resources to manage actions and support for those involved.
- Be alert and respond to harmful online challenges and hoaxes, including providing information and advice to parents and carer and informing where to get help and support.
- Be alert to the growing concerns involving knife crime and ensure the school works closely with the police and safeguarding partners to raise awareness of the impact of such crime and adopt proactive practice to address concerns locally and within the community.
- Ensuring appropriate filters and monitoring systems are in place to protect children online and children are taught about keeping safe online through the curriculum.
- Giving staff the opportunities to contribute and shape safeguarding arrangements and child protection policy.
- When the school's premises are used for non-school activities the Governing body/trust will seek assurances that the body concerned has appropriate safeguarding and child protection policies and procedures in place, and inspect them as needed, including liaising with the Headteacher/ trust. This will apply regardless of whether or not children who attend the provision are on the school or college roll.
- Any safeguarding concerns involving outside organisations will be addressed through our school's safeguarding policies and procedures and in line with Leicestershire Safeguarding Children Partnership procedures (KCSiE 2023 paragraph 377).

- Prevent people who pose a risk of harm from working with children by adhering to statutory responsibilities to check staff who work with children, making decisions about additional checks and ensuring volunteers are supervised as required.
- Ensure at least one person on an interview panel has completed safer recruitment training.
- Inform any new prospective employees' candidate that our *school* will carry out online checks (KCSiE 2023 Part Three Safer Recruitment).
- Recognising that certain children are more vulnerable than others, such as looked after children and children with special educational needs and disabilities.
- Be open to accepting that child abuse and incidents can happen within the *school* and be available to act decisively upon them.

Looked After Children – The Role of Designated Teacher and the Designated Safeguarding Lead

- A teacher is appointed who has responsibility for promoting the educational achievement of children who are looked after. They have the appropriate training. The Designated Teacher will work with the Virtual School to ensure that the progress of the child is supported.
- The Designated Safeguarding Lead will also have details of the child's social worker and the name of the Assistant Head of the Virtual School. The Designated Safeguarding Lead will work closely with the Designated Teacher, as we recognise that children may have been abused or neglected before becoming looked after. We will ensure their ongoing safety and wellbeing as well as supporting their education, through linking with their social worker, carers, and parents where appropriate.
- We also recognise those children who were previously Looked-After potentially remain vulnerable and all staff will be informed of the importance of maintaining support for them through our school pastoral system. As a school we will continue to recognise the importance of working with agencies and take prompt actions where necessary to safeguard these children, who may remain vulnerable.

.
Children with Special Educational Needs

We recognise that children with special educational needs (SEN) and or disabilities can face additional safeguarding challenges on and offline. Children with SEN and or disabilities are especially vulnerable when identifying concerns due to their impaired capacity to resist or avoid abuse. They may have speech, language and communication needs which may make it difficult to tell others what is happening.

All staff are aware that additional barriers can exist when recognising abuse and neglect for children with SEND and be more prone to peer group isolation or bullying (including prejudice-based bullying) than other children. They may not always show outward signs and may have communication barriers and difficulties in reporting challenges, especially involving exploitation or incidents involving child-on -child harm, abuse, or harassment and particularly where that harassment or harm is of a sexual nature. Our staff's vigilance will be a supporting factor to keeping all children safe.

Our policy reflects the fact that additional barriers can exist when recognising abuse and neglect in this group of children which include:
- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration.
- children with SEN and disabilities can be disproportionately impacted by things like bullying, without outwardly showing any signs; and communication barriers and difficulties in overcoming their ability to disclose incidents or the risk of harm they feel subject to,

- addressing individual behaviour concerns and incidents considering the child's SEN and disabilities.
- recognising and having in place additional support for example to teach, advise, mentor and support children with SEND from online harms, hoaxes, bullying, grooming and radicalisation and enable them to have confidence and the ability to stay safe online, either in schools or outside the school environment.

Acting where concerns are identified

Our staff recognise the difference between concerns about a child and a child in immediate danger. If staff have concerns about a child, they will need to decide what action to take. A discussion should take place with the Senior Designated Safeguarding Lead, to agree a course of action.

If a child is in immediate danger or risk of harm a referral will be made immediately to First Response and/or immediately to the police if at imminent risk of harm by the member of staff if required, with the Designated Safeguarding Lead being informed of the referral.

If a child chooses to tell a member of staff about alleged abuse, there are several actions that staff will undertake to support the child:

- The key facts will be established in language that the child understands, and the child's words will be used in clarifying/expanding what has been said.
- No promises will be made to the child, e.g., to keep secrets.
- Staff will stay calm and be available to listen.
- Staff will actively listen with the utmost care to what the child is saying.
- Where questions are asked, this should be done without pressurising, and only using open questions.
- Leading questions should be avoided as much as possible
- Questioning should not be extensive or repetitive
- Staff will not/ should not put words in the child's mouth but will subsequently note the main points carefully.
- A full written record will be kept by the staff duly signed and dated, including the time the conversation with the child took place, outline what was said, comment on the child's body language etc.
- It is not appropriate for staff to make children write statements about abuse that may have happened to them or get them to sign the staff record.
- Staff will reassure the child and let them know that they were right to inform them and inform the child that this information will now have to be passed on.
- The Designated Safeguarding Lead will be immediately informed unless the disclosure has been made to them.
- Information should be shared with children's social care without delay, either to the child's own social worker or to First Response. Children's Social Care will liaise with the police where required, which will ensure an appropriate police officer response rather than a uniformed response.
- The Police would only therefore be contacted directly in an emergency or if a child is in immediate risk of harm, abuse, or danger.

Staff should never attempt to carry out an investigation of suspected child abuse by interviewing the child or any others involved especially if a criminal act is thought to have occurred. The only people who should investigate child abuse and harm are Social Care, Police, or the NSPCC.

Confidentiality

We recognise that all matters relating to child protection are confidential; however, a member of staff must never guarantee confidentiality to children; children will not be given promises that any information about an allegation will not be shared.
Where there is a child protection concern it will be passed immediately to the Designated Safeguarding Lead and/or to children's social care. When a child is in immediate danger children's social care/the police will be contacted.

The Headteacher or Senior Designated Safeguarding Lead will disclose personal information about a pupil to other members of staff, including the level of involvement of other agencies, only on a 'need to know' basis.

All staff are aware that they have a professional responsibility to share information with other agencies in order to safeguard children. They are aware that the Data Protection Act 1998 should not be a barrier to sharing of information where failure to do so would result in a child being placed at risk of harm.

We acknowledge further guidance can be found by visiting Leicestershire and Rutland Safeguarding Children Partnership website: https://lrsb.org.uk/

Information Sharing

Effective sharing of information between practitioners and local organisations and agencies is essential for early identification of need, assessment, and service provision to keep children safe. Serious Case Reviews (SCRs) now known as Rapid Reviews (RRs) have highlighted that missed opportunities to record and thereby understand the significance of sharing information in a timely manner can have severe consequences for the safety and welfare and well-being of children (Working Together to Safeguard Children 2018, updated December 2020).

We will adopt the information sharing principles detailed in statutory safeguarding guidance contained within:

- *DfE KCSiE 2023 has several sections which provide clarity on information sharing processes and GDPR including within Annex C which makes clear the powers to hold and use information when promoting children's welfare.*
- *Working Together to Safeguard Children 2018 Paragraph 23 to 27 and on pages 20 and 21.*
- *Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents, and carers (which has been updated to reflect the General Data Protection Regulation (GPDR) and Data Protection Act 2018.*
- *Leicestershire and Rutland Safeguarding Children Partnership (NSCP) Policy and Practice Guidance.*
Staff and governors complete GDPR Information Sharing training on a rolling programme

Records and Monitoring (KCSiE 2023 paragraphs 68 to 70, Part Four, Part Five, Annex C)

Any concerns about a child will be recorded in writing on cpoms/ use of pink form within 24 hours. All records will provide a factual and evidence-based account and there will be accurate recording of any actions. Where an opinion or professional judgement is recorded this should be clearly stated as such.

At no time should an individual teacher/member of staff or school be asked to or consider taking photographic evidence of any injuries or marks to a child's person; this type of behaviour could lead to the staff member being taken into managing allegations procedures. The body maps should be used in accordance with recording guidance and to support clarity for example of areas of injury, marks and bruising and or touching.

Any concerns should be reported and recorded without delay to the appropriate safeguarding services e.g., First Response or the child's social worker if already an open case to social care.

Our school will ensure all our files will be available for external scrutiny for example by a regulatory agency or because of a serious case review or audit.

Why recording is important

Our staff will be encouraged to understand why it is important that recording is comprehensive and accurate and what the messages from serious case reviews are in terms of recording and sharing information. It is often when a chronology of information is pieced together that the level of concern escalates or the whole or wider picture becomes known. We record using the CPOMS system.

We acknowledge without information being recorded it can be lost. This could be crucial information, the importance of which is not always necessarily apparent at the time. On occasions, this information could be crucial evidence to safeguard a child or be evidence in future criminal prosecutions.

The Child Protection (CP), Child in Need (CiN) or Confidential file
(KCSiE 2023 Annex C pages 166 to 170 and paragraphs 68,102,122, 123, 540 and 543).

The establishment of a Child Protection, CiN or Confidential Safeguarding file, is an important principle in terms of storing and collating information about children which relates to either a child protection or safeguarding concern or an accumulation of concerns about a child's welfare which are outside of the usual range of concerns which relate to ordinary life events. It should be borne in mind that what constitutes a 'concern' for one child may not be a 'concern' for another and the child's particular circumstances will need to be taken into account for example if a child is subject to a child protection plan, CiN plan or has looked after status (LAC). Professional judgement will therefore be an important factor when making this decision and will need clear links between pastoral staff and those with Designated Safeguarding Lead responsibilities in school. This is maintained through the CPOMS system.

A 'child protection 'file' should be commenced in the event of:

- A referral to First Response/Children's Social Care.
- A number of minor concerns on the child's main school file.
- Any child open to social care.

A 'child protection' or 'confidential' file on CPOMS is set up to record in accordance with statutory guidance):

The school will keep electronic records (CPOMS) of concerns about children even where there is no need to refer the matter to First Response/Children's Social Care (or similar) immediately on CPOMS.There is a separate copy of a confidential safeguarding monitoring list in the safeguarding file.

Records will be kept up to date and reviewed regularly by the Snr Designated Safeguarding Lead, to evidence and support actions taken by staff in discharging their safeguarding arrangements. Original notes will be retained (but clearly identified as such) as this is a contemporaneous account; they may be important in any criminal proceedings arising from current or historical allegations of abuse or neglect.

The 'confidential' file can be active or non-active in terms of monitoring i.e., a child is no longer LAC, subject to a child protection plan or EHAF and this level of activity can be recorded on the front sheet as a start and end date. If future concerns arise, they can be re-activated and indicated as such on the front sheet and on the chronology as new information arises.

Transfer of child's child protection file, child in need, LAC, or confidential file (statutory requirement):

Our school will adopt the file transfer guidance contained in KCSiE 2023 and ensure when a child moves school/education provision their child protection/confidential file is sent securely to their new educational setting when the child starts/ leaves the school/academy.

For those children subject of social care and safeguarding agency involvement will ensure the file is able to evidence the child's journey and include key information as described in KCSiE 2023 Should a child subject to social care involvement transfer schools, college, or education provider we will ensure the child's child protection or confidential file move is transferred within 5 days as required by KCSIE.

Our Senior DSLs will liaise directly with the receiving school, college or alternative placement and hold a discussion to share important information to support the child's transfer to ensure the child remains safeguarded, has any 'reasonable adjustments' agreed, and put in place and to ensure the changes experienced by the child are as smooth as possible to enable a positive integration experience and engagement with new staff and learning.

In accordance with KCSiE 2023 we will maintain information on cohorts of children who have been open to social care, have had a social worker or who are closed to social care and may have returned to the family home. This information will only be considered for sharing 'if appropriate' with the new school or provider in advance of the child leaving to allow for the new school to continue supporting the children who have had a social worker or been victims of abuse, including those who are currently receiving support through the 'Channel' programme.
(KCSIE 2023 paragraph123 and pages 150 to 152 and Annex C).

Recording Practice

Timely and accurate recording will take place when there are any issues regarding a child.
A recording of each and every incident or concern for the child will be made, including any telephone calls to other professionals. These will also be recorded in the chronology on CPOMS. This will include any contact from other agencies who may wish to discuss concerns relating to a child. Actions will be agreed, and roles and responsibility of each agency will be clarified, and outcomes recorded.

.
Further detailed recording will be added to the record of concern and will be signed and dated. Records will include an analysis of the event or concerns and will take account of the holistic needs of the child, and any historical information held on the child's file.

Support and advice will be sought from social care, or early help whenever necessary. In this way a picture can emerge, and this will assist in promoting an evidence-based assessment and determining any action(s) that needs to be taken.

This may include no further action, whether an Early Help Assessment should be undertaken, or whether a referral should be made to First Response/Children's Social Care in-line with the Threshold for access to services published September 2021, or any later edition made available by Leicestershire and Rutland Safeguarding Children Partnership.

Such robust practice across child protection and in safeguarding and promoting the welfare of children will assist the school and DSL team in the early identification of any concerns which may require addressing further and the prevention of future harm, risk, or abuse.

The Designated Safeguarding Lead will have a systematic means of monitoring children known or thought to be at risk of harm (through the concern file and through an ongoing dialogue with pastoral staff). They will ensure that we contribute to assessments of need and support multi-agency plans for those children.

Educating Young People – Opportunities to teach safeguarding
(KCSiE 2023 paragraphs 124 to 140, Annex A & Annex C Online Safety paragraph 144 to 148).

As a school we will teach children in an age-appropriate way about youth produced imagery, on-line risks associated with social networking to prevent harm by providing them with the skills, attributes, and knowledge to help them navigate risks, including covering online safety, remote learning, filters and monitoring, information security, cyber-crime, reviewing online safety platforms and use of mobile technology. We will ensure appropriate filters and monitoring systems in place and regularly review their effectiveness

The education we provide for online safety will take into account the need for children to learn using online technologies in a safe environment whether that be in school, in the home or in a community environment. This will also be taught as part of a wider PSHE & RSE programme, as well as through other subject areas and ICT.

We will ensure a whole school approach is in place to promote giving children the space to explore key issues in a sensitive way and the confidence to seek the support of adults should they encounter problems or online harms, hoaxes or harassment including involving incidents of sexual violence and sexual harassment between children.

We will carefully consider mobile phone use and the new filtering and monitoring standard required by DfE and how this is managed in school and ensure it is reflected in our mobile and smart technology policy. This will include where children have unlimited and unrestricted access to the internet via mobile phone networks (i.e., 3G, 4G and 5G).
Our arrangements will be regularly reviewed to address this additional area of safeguarding as technologies change on a regular basis and having access to smart technology could mean some children, whilst at school, sexually harass, bully, and control others via their mobile and smart

technology, share indecent images consensually and non-consensually (via large chat groups) and view and share pornography and other harmful content.

Children and parents are made aware of on-line safety to minimise the safeguarding risks technology can pose and where they can seek advice, help, and support through regular parental meetings and updates e.g. NSPCC parental workshops, information on newsletters and the school website.

The education we provide for online safety will take into account the need for children to learn using online technologies in a safe environment, in school or at home.
This will also be taught as part of a wider PSHE & RSE programme, as well as through other subject areas and IT. (SEE PSHE & RSE and Computing Progression maps)
We will ensure a whole school approach is in place to give children the space to explore key issues in a sensitive way and the confidence to seek the support of adults should they encounter problems or online harms, hoaxes or harassment including incidents of sexual violence and sexual harassment between children.
Our remote learning policy and acceptable use policy clarify what we expect for children who access education from home. Where children have been identified to use school laptops to support learning at home a written agreement will be signed by parents or carers which sets out how the laptop should be used. A member of staff will discuss this with parents and children before the laptop is taken home. Should any concerns arise about how the laptop is being used, it will be returned to school and concerns addressed through the usual channels.
We will carefully consider mobile phone use and how this is managed in school. Where children bring mobile phones to school, they will hand them into the school office as they arrive and collect them as they leave. Children will not have access to mobile phones and smart watches throughout the school day.

Helplines and reporting

- Children can talk to a Child Line counsellor 24 hours a day about anything that is worrying them by ringing 0800 11 11 or in an online chat at https://www.childline.org.uk/get-support/1-2-1-counsellor-chat/
- Children can refer via Whisper - an anonymous reporting service for pupils, families and local community that allows children to send a message or text to a confidential school email account where staff experienced in responding to issues will receive it. This information is found on the school website and on a notice board in the school hall.
- Where staff members feel unable to raise an issue with their employer, or feel they have a genuine concern that is not being addressed we acknowledge they may wish to consider whistleblowing channels. Likewise, if parents and carers are concerned about their child, they can contact the NSPCC Helpline by ringing 0800 028 028 0295, or by emailing help@nspcc.org.uk

Appendices

Appendix 1 - LCC LA Flow Chart 2023-2024 'What to do if you are worried a child is being abused or at risk of harm, neglect, or online harm
Appendix 2 -Template: Body Maps Guidance and Body Maps
.Appendix 3 **Radicalisation and Extremism Risk Assessment**

Appendix 1

Belton CE Primary School Child Protection & Safeguarding Flow Chart
'What to do if you are worried a child is being abused, at risk of harm or neglect'

Actions where there are concerns about a child's welfare in and outside of school
- Be alert to signs of abuse, question unusual behaviour or changes to presentation.

Where a child discloses abuse, neglect, sexual violence, sexual harassment, online harm
- Listen to what they say, keep calm, reassure they are right to tell, and you will take action to help keep them safe.
- Inform them you need to share the information and what you are going to do next
- Do not promise confidentiality, you will need to share/ report the information to appropriate services.
- **DO NOT DELAY, take any immediate necessary action to protect the child and ensure the Designated Safeguarding Lead is informed or member of SLT in the DSL's absence.**

Discuss concerns with the Designated/Named Safeguarding Lead
- The DSL will consider further actions including consultation with First Response (if a new concern).
- Concerns and discussion, decisions and reasons for decision should be recorded in writing and a 'confidential concerns' or a 'child protection' file should be opened, stored in line with the school child protection policy.
- At all stages the child's circumstances should be kept under review and re-refer if concerned to ensure the child's circumstances improve – **the child's best interests must come first.**

Still have concerns - Refer to First Response (MARF)
Have child/families' personal details to hand and be clear about concern/allegations. Complete referral form.

Safeguarding concern Resolved /no longer held
Support has been agreed, record decisions and any follow up needed. actions.

First Response 0116 305 0005
Where safe consider **Early Help Service**

If the child is at immediate risk dial 101 and ask for assistance
Record all decisions and actions, working to agreed outcomes and within timescales. Escalate any emerging threats/concerns by adopting Leicestershire and Rutland Safeguarding Children Partnership procedures.

NSPCC Whistle blowing
Tel: 0800 028 0285

Police Tel:101

Unmet needs identified
Decide what actions are needed to support the child.

Consult with the child young person, family, and relevant agencies:
Agree support, refer to LRSCP guidance Thresholds for access to services (September 2021)

Contacts: For any allegations/concerns regarding an adult who works with (in either paid/voluntarily) employment with children contact the LA Designated Officer (LADO) CFS-LADO@leics.gov.uk Allegations Line: 0116 305 4141 Monday-Thursday, 8.30am - 5.00 pm and Friday, 8.30am - 4.30pm Outside of office hours, contact the First Response Children's Duty Team: 0116 305 0005LA Safeguarding and Compliance Lead Charlotte.Davis@leics.gov.uk 0116 305 6314

Appendix 2

Body Map Guidance for Schools - See CPOMS

Medical assistance should be sought where appropriate.

Body Maps should be used to document and illustrate visible signs of harm and physical injuries.

Always use a black pen (never a pencil) and do not use correction fluid or any other eraser.

Do not remove clothing for the purpose of the examination unless the injury site is freely available because of treatment.

*At no time should an individual teacher/member of staff or school be asked to or consider taking photographic evidence of any injuries or marks to a child's person, this type of behaviour could lead to the staff member being taken into managing allegations procedures, the body map below should be used in accordance with recording guidance. Any concerns should be reported and recorded without delay to the appropriate safeguarding services,
e.g., First Response or the child's social worker if already an open case to social care.**

When you notice an injury to a child, try to record the following information in respect of each mark identified e.g. red areas, swelling, bruising, cuts, lacerations and wounds, scalds, and burns:

- Exact site of injury on the body, e.g., upper outer arm/left cheek.
- Size of injury - in appropriate centimetres or inches.
- Approximate shape of injury, e.g. round/square or straight line.
- Colour of injury - if more than one colour, say so.
- Is the skin broken?
- Is there any swelling at the site of the injury, or elsewhere?
- Is there a scab/any blistering/any bleeding?
- Is the injury clean or is there grit/fluff etc.?
- Is mobility restricted as a result of the injury?
- Does the site of the injury feel hot?
- Does the child feel hot?
- Does the child feel pain?
- Has the child's body shape changed/are they holding themselves differently?

Importantly the date and time of the recording must be stated as well as the name and designation of the person making the record. Add any further comments as required.

Ensure First Aid is provided where required and record
A copy of the body map should be kept on the child's child protection file using CPOMS
