2<sup>nd</sup> October 2015

We celebrated Harvest festival at the church today with the theme of growing. Every child took part and it was a real community and church celebration. We would like to thank you for your generous gifts of produce and for supporting this event at church. The produce is being collected by the Marlene Reid centre and distributed by them.

The club of the week is the breakfast club which is the most popular club of the week! Mrs Chamberlain runs breakfast club and serves healthy choices of cereal, toast and juices. If your child would like to join just turn up, there is no need to pre book. The charges are £3 per day or £10 for the week. After breakfast children colour, play and draw.

## Communication

Following our questionnaire at the beginning of term about how you wish to receive your newsletters, it appears that the majority would prefer a paper copy at this time, so we will continue with our current arrangements. Once the newsletter is typed it is put on the website too. Please do check out our website as it is being constantly updated and there are many photos of our activities and events.

## News from the Sea Otters Macmillan 2015

"Once again we decided to raise money to help Macmillan Cancer Care. We designed posters and put them up around the village so that everyone knew that we were holding an event. On the day we all brought in cakes and raffle prizes and after lunch we washed our hands and then found out which jobs we had to do. Year 4 was in charge of cakes and Year 5 children offered drinks.

After all of our hard work we counted the money and found we had raised £236.85.  
Brilliant!"
