

## **Belton Update**

**6<sup>th</sup> May 2022**

Dear Parents/Carers and Children,

We have now arrived in May! The month started off so well last Saturday with the May Day tradition we celebrate here at Belton. It was a glorious day and it was wonderful to see so many of you there, as well as members of our community. The atmosphere was amazing and I have to say I did have a proud tear in my eye as we paraded to the Maypole! The costumes, May sticks and flowers were lovely and the dancing even better. A governor even said they thought it was the best dancing yet! The tea after was a real treat too. As I said on Saturday, it was made even more special after the last 2.5 years we have had. Thank you to everyone who was involved in making it a special day.

### **Year 6 SATs**

Next week - Monday to Thursday will see our wonderful Year 6 children sit their KS2 SATs. We wish them all the luck and know they will try their very best and that is all we ask. Please have a restful weekend with lots of sleep! See my letter below.

### **Office**

From 27<sup>th</sup> April there will be no one in the school office on a Monday and Tuesday afternoon until we are able to recruit a replacement for Mrs Kendrick. Please email/ Weduc for non urgent things and we will get back to you the following mornings or Wednesday - Friday. But ring in if it is something that needs to be sorted that afternoon! Also please bear with me as it is likely to be me trying to pick up the phone in the short term!

### **Feedback**

Thank you for all the feedback forms given back into school. It has been lovely to read your comments. From the comments received it is clear that our curriculum, school trips and support systems and staff are really appreciated. I will be sharing them with staff. Regarding the 'wish' there wasn't any particularly trends but we are looking at them on an individual basis.

### **Thank you**

Thank you to FOBS, not only for their support to organize Mayday but they are also paying for the Year 6 end of SATs trip.

**A polite reminder there should be no crisps as snacks at playtime.**

## Jubilee

Please join us at 2pm on Friday 27<sup>th</sup> May to help celebrate the Platinum Jubilee. The children can dress for the day in the fashions over the last 7 decades. You are welcome to dress up too! See poster below. We will be celebrating with some songs and dances from the last 7 decades.

School dinner will also take place outside in true Jubilee style that day! For our school lunches there will be a selection of sandwiches, savoury pinwheel, celebration cupcake or jam and cream scone with squash.

*Happy Platinum Jubilee*

*Friday 27th May 2022*

*2:00pm*

# *Jubilee Pageant*

*Join us for the afternoon to celebrate the Queens Platinum Jubilee.*

*Happy Platinum Jubilee*

## *Queens Card Competition*

*Design a card to send to the Queen to celebrate the Jubilee*

*There will be a winner from each class.  
All entries to be dropped into the office.*

*Happy Platinum Jubilee*

## *Dress through the Decades*

*On Friday 27th May 2022*

*Come dressed in your favourite fashions from the past 7 decades!*

## Letter to Year 6

Dear all the children in Year 6,

Next week you will sit your SATS tests, for which you have been working really hard for and I know all of you want to do well.

I know you will all try very hard, but remember that the people who create and mark these tests don't know you like we do in school.

They don't know all the other things you can do, whether it is your horse riding, football or dancing skills. They don't know how funny you are or what a good friend you can be. They don't know how you brighten someone's day just with a smile or how you have impressed someone with your knowledge on space or your maypole dancing!

SATS are only a small part of your story and who you are. So, whilst you are preparing for next week, remember there is no way to test all the amazing things you are and do.

Do your best, sleep well and remember how wonderful you are.

Miss Scott
