## NSPCC 'Speak Out – Stay Safe'

Having cancelled twice due to the snowy weather we were delighted to welcome Sita from the NSPCC to our school on Wednesday 18<sup>th</sup> April. She led assemblies for KS1 and for KS2 children and also a workshop for Year 5 and 6 children. The theme was 'Speak Out – Stay Safe'. Sita said that she had enjoyed working with our children and that we have a very lovely school. She was also impressed with the children and teaching staff and commented on the friendliness and the good manners of our children.

## "I Love Blue Peter" Congratulations Sally

Sally in the Bears class has been awarded a Diamond Blue Peter Badge. She had to complete a questionnaire which had seven questions each one starting with a letter from the word **DIAMOND**, explaining why she should be awarded a Diamond Badge.  
Well done Sally!

## Alien Spaceship Crash Lands in the Sensory Garden!

Last Tuesday the Bears class were concentrating on their lessons when they heard a very loud crashing noise outside. Mrs Scott and her class went to investigate. In the sensory garden they found the remains of an alien spaceship and on closer inspection they could see some gold footprints leading to the hedge where it would appear that the survivors made their escape. The crash site was covered in silver blood. *"I think it came from Mars or from the International Space Station!"* The discovery of an alien spaceship is the theme for the Bears term learning plan. Where will our imagination take us?
