

Belton Update

10th June 2022

Dear Parents, Carers and Children,

We are now well and truly into the last half term of the year! Wow! How did that happen? The Jubilee seems such a long time ago now but I hope you enjoyed not only the weekend but also our event on the last day of term. I thought it was lovely! It was wonderful to see all the children dressed up and parents joining in too. Thank you so much for coming.

Another big congratulations goes to Miss Holley and her partner Vicky on the safe arrival of baby Mia during half term. She is a real cutie!

This half term we are implementing our revised behaviour policy and reward systems. It has been really exciting to see the VIPs walking around with their lanyards and assembly this morning was really special with our first Golden Book assembly. To see the parents there as well was just great. I was astounded by the children's confidence to speak so eloquently in front of so many people. Well done! I am also looking forward to next Friday to see the group of Year 5/6 children who went forward with their stem project at their presentation evening.

Miss Ebbs was also blown away with the number of Duathlon entries! Well done to you all. Unfortunately we only can take 6 per team. We can't wait until next week to see how you get on at the event.

Hedgehogs have also had a brilliant trip to the Aeropark this week. I hope you have seen all the photos on WEDUC. They have had a busy week with a visit from the BeSkilled schools for a wonderful sporting event.

Next Year: To let you know the classes next year will remain with the same teachers and the same animal names.

We do have a few jobs on Eteach – a 16 hour EYFS LSA , 32.5 LSA and Admin Assistant. Please do have a look if you are interested and have the appropriate experience and qualifications.

Celebration – Golden Book assemblies will take place at 9am on Fridays. If your child gets nominated for the Golden Book I will let you know on the Wednesday before so if you are able to come, you are warmly invited. If you can't come please do not worry.

Feedback

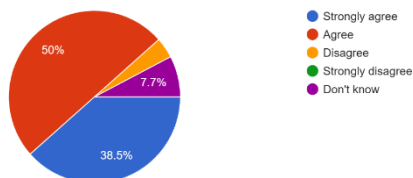

Thank you for your parental survey feedback and the feedback on the 2 stars and a wish form. I have inserted the results below for you to see. It was lovely to see so many positive comments, particularly around communication, teaching and our curriculum. We will take on board all comments made. Please come and speak to me if you have any questions.

I would also encourage anyone who has any positive comments or indeed any issues to always come and speak to me, rather than talking on the playground or on WhatsApp groups. I am always willing to listen and I cannot help if I don't know. I see us all as one big team and a community, working together to make the school the best it can be for our community.

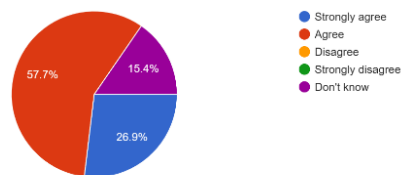

The school has high expectations for my child.
