

Soup and Bread Day

We had a great time on Wednesday making soup and bread and then sharing it with our parents and friends. I think the *Sea Otters* recipe for roasted butternut squash was the winner in terms of popularity with the *Meerkats* cheese and onion bread topping the bread stakes.

Parent Forum

Apologies to those expecting a general parent forum on Tuesday, this was postponed to next Tuesday, 11th October as a meeting specifically for Bees parents was held. Notes from that meeting have been given to the parents and carers attending. If you are a Bee parent who was unable to attend and would like the notes, please email the school office and we will send you them.

Worries and concerns

Attached to this newsletter is a copy of a parent leaflet explaining how to deal with worries and concerns. This makes the procedure clear and the route to follow if you have any concerns regarding your child.
