

## **Belton Update**

**8<sup>th</sup> July 2022**

Dear Parents/Carers and Children,

I cannot believe this is the last update of the year! And what a year it has been. I have to say I am pretty gutted I haven't been able to be in school during the last full week of term and share all the fantastic end of term events. However, I have so many things to be thankful for and we should all be so proud of the children who have been absolute superstars this year, a year where normality has been there at times but not in others. As we now look forward to the next 6 weeks of holiday we need to remember all our achievements this year, from learning how to tie shoelaces, to riding your bike in the Duathlon, to playing the Ukelele.

### **Big Thank You's**

There are so many people to thank for all their hard work this year, the children, staff, governors, parents and volunteers. School wouldn't function without you.

A special thank you to Mrs Yendall who has stepped into the breach this week in my absence! A baptism of fire!  
Thank you x

Children, keep being wonderful!

Staff, you are amazing, the children are lucky to have you.

Thank you to Mrs Styles and Mrs Edstrom for all they have done this year, particularly with the circus which I hear was amazing and the rest of FOBs. We appreciate everything you do.

To all the volunteers - Thank you! I hope you come back next year and many more join you!

A massive thank you to Mrs Lavine. She has been our rock this year. Stepping into multiple roles at the last minute to cover absences at the drop of a hat. I actually do not know what we would have done without you.

Mrs Lee and Mr Goldsmith you are amazing, we are pleased you are back next year.

Thank you to Vicar Louise and Rev Laretta for all you do.

### **Goodbye**
