

School News

The Sea Otters led the assembly in church on Tuesday morning and told the story of St. Dwywen. They explained how we can show our love to others through small acts of kindness. They sang beautifully too!

in school. This was very well supported and we thank you for your donations. We are pleased that we will be able to donate £100 to this very worthy cause.

Our apologies go to Seth, whose name was missed from last weeks' newsletter. Seth was part of the KS2 swimming team at the gala at Shepshed High School last week.

What a Great Night! FOBS Burns Night and Ceilidh

What a fabulous event FOBS organised for the school on Saturday 21st January! The haggis was ceremoniously paraded around the room by Jon Hammond, our premises officer, and the haggis was then addressed by one of our governors, Rob Anderson. The room was full of parents, staff, governors, villagers and friends of Belton School who all enjoyed the haggis, neeps and tatties. The dance floor was full for the first dance and the room buzzed all evening.

A huge thank you to all the members of FOBS for making this event such a success. We are looking forward to next year!

On Thursday the Sea Otters made biscuits as part of their celebration of Australia Day. Ingredients included coconut, golden syrup and porridge oats. They tasted delicious!

Real Historians

On Tuesday 31st January the Sea Otters and the Bees are being given the opportunity to be real historians. They have been invited to trial a new learning programme by the Battle of Bosworth Heritage Group. The children will have the opportunity to dress up and experience hands on activities as well as meet an archer, a falconer and a soldier. They will also go on a guided walk around the battlefield.

Sensory Garden

We are very keen to finish phase 1 of our sensory garden to allow our children to use it and benefit from it particularly during this period of building work and decreased playground space.
