Staff News

We are thrilled to share with you the great news that Miss Kim Smith and her family are expecting a baby in July.

Future Dates

We have a very busy time coming up in the next few weeks... Here are a few dates for next week ...

Monday 29th February –

Castle Donington College teachers are coming into school to do some block printing with the Sea Otters. In the afternoon all KS2 children are competing in a cross country race at Shepshed High School against St Botolph's, Oxley and Newcroft primary schools. This takes place in school time. Children will be transported by coach each way and return to school at the end of the school day.

Tuesday 1st March –

The Bears lead our school assembly in church. All are very welcome to come and join us at 9am. FOBS rescheduled committee meeting is at 7.30 in school.

Mother's Day Tea

The Bees and Meerkats are hosting a Mother's Day tea on Friday March 4th at 2pm in the school hall.

The invitation will be for one special lady in your child's life. Regretfully we do not feel there will be enough space for toddlers and pushchairs due to the size of the hall. The invitation and further details will be sent out on Monday.

FOBS Sensory Garden Project

FOBS want to build a Sensory Garden on the mound by the willow tree and would like the children to take part in the design ideas. Kate Anderson, Chair of FOBS came into school this morning for a special assembly and talked to the children about designing a sensory garden. Over **this weekend** can you design a sensory garden and draw it on the attached form.

Get your thinking caps on and start designing!

Members of FOBS will look through the designs and certain designers will be chosen to work with the Leicestershire and Rutland Wildlife Trust who are coming into school on Tuesday morning to design the final garden.

Please return your designs to school on Monday. Thank you!
